## 4-H Summer Camp Ed-Ventures for 2006

**T**he Florida 4-H Program sponsors four residential summer camps through the University of Florida/IFAS Extension Program. These camps provide unique hands-on educational opportunities emphasizing Florida's ecosystems. There is still time for youth to register for a week of fun.

**Camp Ocala** (July 17-21) in the Ocala National Forest offers youth an opportunity to learn life skills through fun, noncompetitive activities in shooting sports, sport fishing and natural resources. Minimum age for campers is 10 years old. Contact Bill Hill at the Polk County Extension Office (850) 519-8617 ext. 105.

**State Marine Camp** (July 24-28) at Camp Timpochee in Niceville, Florida, gives youth the opportunity to canoe, snorkel and seine for an exciting week in a marine environment. Contact Kim Gumbiner at the State 4-H Office (352) 846-0996, ext. 249.

**Other 4-H Camps** include Camp Cherry Lake in Madison Florida and Camp Cloverleaf at Lake Wales Ridge.

4-H members and non 4-H members are welcome at all four residential summer camps for a week of fun. Just call your local County Extension Office to sign up.

For information about these outdoor opportunities, visit [4H.IFAS.UFL.EDU](http://4H.IFAS.UFL.EDU) or call (352) 846-0996.

### Dear Florida Agricultural Education Supporter:

The Florida Agricultural Promotional Campaign, also known as "Fresh from Florida," promotes a variety of agriculture and natural resource education activities. The sponsorship of the Florida 4-H Camping Series exemplifies our efforts to provide comprehensive environmental education opportunities for Florida youth. For more information, visit our Agriculture Education page at [www.Florida-Agriculture.com](http://www.Florida-Agriculture.com).

Sincerely,

*Charles H. Bronson*
